

Fairyland, Heralds Of The Green Lands

(Choirs)

Into the light we sail
Far from here
Into the light we sail
far from here

And we'll know...

We're on our way for tomorrow
For a future that holds no return.

Distant past, and the travel we've endured
No one's last, to the reunion
Holding hands, we look for the future
All united we carry the godsent light

(Choirs)

Lux, lux eterna
Lux, lux lux immortal

From the ground, we'll get to be angels
From our past, we'll learn to rise
See the day, the sun is now shining

All united we carry the godsent light

(Choirs)

Lux, lux eterna
Lux, lux lux immortal
(etc)

For the glory of Gods we've awakened
there is nothing left now but to strive.

Enlightened!
from now, we'll follow the Angel
To the horizon, to new horizons
Wake up, the call has been sent
Children of reason, the sun has risen.

From now, we'll carry the Light as our own
(we'll carry the Light as our own)
From now, we'll carry the Light as our own

We're on our way for tomorrow
For a future that holds no return.

From now, we'll follow the Angel.
And united we'll stand, to go on we will follow the One
from now, we'll follow the Angel's lore.

Stand now, look to the skies
Don't be sorry for those left behind
In time wisdom you'll know
With a knowledge as strong as your own.

Stand now, look to the skies
Don't be sorry for those left behind

In time wisdom you'll know
For the children of men are writing the scroll on their own.

from now, we'll follow the Angel
To the horizon, to new horizons
Wake up, the call has been sent
Children of reason, the sun has risen.

From now, we'll follow the Angel.
And united we'll stand, to go on we will follow the One
from now, we'll follow the Angel's lore.

Enlightened!
