

Faith Hill, Breathe (Tin Tin Out Radio Mix)

I can feel the magic floating in the air
Being with you gets me that way
I watch the sunlight dance across your face
And I, I've never been this swept away
All my thoughts just seem
To settle on the breeze
When I'm lying wrapped up in your arms
The whole world just fades away
The only thing I hear is the beating of your heart
Cause I can feel you breathe
It's washing over me
And suddenly I'm melting into you
There's nothing left to prove
Baby all we need is just to be
Caught up in the touch
A slow and steady rush
And baby isn't that the way
That love's supposed to be
I can feel you breathe
Just breathe
In a way I know my heart is waking up
As all the walls come crumbling down
Closer than I've ever felt before
And I know and you know
There's no need for words right now
Cause I can feel you breathe
It's washing over me
And suddenly I'm melting into you
There's nothing left to prove
Baby all we need is just to be
Caught up in the touch
A slow and steady rush
And baby isn't that the way
That love's supposed to be
I can feel you breathe
Cause I can feel you breathe
It's washing over me
And suddenly I'm melting into you
There's nothing left to prove
Baby all we need is just to be
Caught up in the touch
A slow and steady rush
And baby isn't that the way
That love's supposed to be
I can feel you breathe
Just breathe
Just breathe
