

Faith Hill, Faith Hill - I Can Feel The Magic

I can feel the magic floating in the air
Being with you gets me that way
I watch the sunlight dance across your face
And i've never been this swept away
All my thoughts just seem to settle on the breeze
When i'm lying wrapped up in your arms
The whole world just fades away
The only thing I hear
Is the beating of your heart

Cause I can feel you breathe
It's washing over me
And suddenly i'm melting into you
There's nothing left to prove
Baby, all we need is just to be
Caught up in the touch
Slow and steady rush
Baby, isn't that the way that love's suppose to be
I can feel you breathe

In a way I know my heart is waking up
As all the walls come tumbling down
Closer than i've ever felt before
And I know, and you know
There's no need for words right now

Cause I can feel you breathe
It's washing over me
And suddenly i'm melting into you
There's nothing left to prove
Baby, all we need is just to be
Caught up in the touch
Slow and steady rush
Baby, isn't that the way that love's suppose to be
I can feel you breathe

I can feel the magic floating in the air
Being with you gets me that way...
