Faith Hill, Faith Hill - I Can Feel The Magic

I can feel the magic floating in the air Beign with you gets me that way I watch the sunlight dance across your face And i've never been this swept away All my thoughts just seem to settle on the breeze When i'm lying wrapped up in your arms The whole world just fades away The only thing I hear Is the beating of your heart

Cause I can feel you breathe
It's washing over me
And suddenly i'm melting into you
There's nothing left to prove
Baby, all we need is just to be
Caught up in the touch
Slow and steady rush
Baby, isn't that the way that love's suppose to be I can feel you breathe

In a way I know my heart is waking up As all the walls come tumbling down Closer than i've ever felt before And I know, and you know There's no need for words right now

Cause I can feel you breathe
It's washing over me
And suddenly i'm melting into you
There's nothing left to prove
Baby, all we need is just to be
Caught up in the touch
Slow and steady rush
Baby, isn't that the way that love's suppose to be I can feel you breathe

I can feel the magic floating in the air Being with you gets me that way...
