

Falling In Reverse, Listen Up

[Intro:]

Listen Up 'cause this is not the end
You're the last thing that cross my mind
Relationships are based on trust
Well I guess this one was based on lies

Based on lies
Based on lies
Based on lies

[Verse 1:]

Listen up to the ones you trust
Just a few by your side (Your side)
Give in, everything's going to be alright
(Here we go the ones who make time)
Now it's time for me to go
I know, you know, the fights are getting old

[Chorus:]

This is the
Last chance I
Have to say to you
So sorry but
I have to go
Wash my hands of you

[Verse 2:]

You say you will never change
I say, that's too bad
I'm sorry, for all the things, that you and I (Could have had)
But it's your fault, all the stupid things
That you and I have done and said
The lies, the cries, it's no wonder that you were dead

[Chorus:]

This is the
Last chance I
Have to say to you
So sorry but
I have to go
Wash my hands of you

[Bridge:]

Your honesty
Is killing me
The page I read
The word that said that you still love me
You lied to me
And you don't see
The things you've said
And now you're dead
And that's alright by me

[Chorus:]

This is the
Last chance
I have to say to you
So sorry but
I have to go
Wash my hands of you

[Outro:]

Listen up 'cause this in not the end!
