

# Fame Factory, Give Me Your Love- Fame

Give me your love

M: I can be the one

You love forever

J: I can be your dream

Of your heart

Every single moment

M: I thinking of you

I wish you felt the same way that I do

REF:

Give me your love

Give me all of your love

I'm the one for you

Try to believe me

I just wanna be

There by your side

Give me your love

Give me all of your love

When the morning comes

I wait into night

And it feels all right

Give me your love

M: You can turn the winter into summer

J: You can be my wonder every day

Every time I see you

I just wanna hold you

I wish you felt the same way that I do

REF:

Give me your love

Give me all of your love

I'm the one for you

Try to believe me

I just wanna be

There by your side

Give me your love

Give me all of your love

When the morning comes

I wait into night

And it feels all right

Give me your love

J: Sometimes I think that you're an angel

And it's plain to see that you can rescued me

Rescued me

REF:

Give me your love

Give me all of your love

I'm the one for you

Try to believe me

I just wanna be

There by your side

Give me your love

Give me all of your love

When the morning comes

I wait into night

And it feels all right

Give me your love
