## Fame Factory, Let It Rain

I have given, I have given and got none Still I'm driven by something I can't explain It's not a cross, it is a choice I cannot help but hear his voice I only wish that I could listen without shame

Let it rain, let it rain on me Let it rain, oh let it rain Let it rain on me

I have been a witness to the perfect crime
I wipe the grin off of my face to hide the blame
It isn't worth the tears you cry
To have a perfect alibi
Now I'm beaten at the hands of my own game

Let it rain, let it rain on me Let it rain, oh let it rain Let it rain on me

I do my best not to complain My face is dirty from the strain I only hope one day I'll come clean

Rain, let it rain on me Let it rain, oh let it rain Let it rain on me

Come take my hand We can walk to the light And without fear We can see through the darkest night

Rain
