

# Fame Factory, Three Wishes - Sabina Baltzar Roth

When you're low  
And you're feeling down  
Just call my name  
And I'll be around

When your life is too much for you  
Close your eyes and think of me  
'Cause baby, you're not asking for much  
Just a little love and a little attention, yeah

Ref.  
'Cause you got  
Three, Three wishes baby  
All I want is to share them with you  
Yeah,  
'Cause I've got three, three wishes, baby  
It's so simple, too good to be true  
Three, three wishes

And if you need somebody to lean on  
I will be riding for you  
And if you can't stop tears from falling,  
Falling down right to the ground  
(I'll be around)  
'Cause baby you're not asking for much  
Just a little love and a little attention

Ref.  
'Cause you got  
Three, Three wishes baby  
All I want is to share them with you  
Yeah,  
'Cause I've got three, three wishes, baby  
It's so simple, too good to be true

Love keeps turning  
My love keeps burning  
Keeps on going like a rolling stone  
(Keeps on going like a Rolling stone)  
Like a rolling stone when you're lost you can find your way home

You're not asking for much  
Just a little love and a little attention  
Oh..  
Oh, yeah
