She nervous  
In the Benz, still swerving  
Shawty taking trips with them things in her blouse  
Is you nervous?  
Cause I'm flexing on purpose  
Young nigga, I'm sipping and swerving

Yo bitch, all under pressure  
Yo bitch, in her drawers on my leather  
Yo bitch, in my crib half naked  
But my girl coming so she got to dip this second  
Shit wild, lifestyle, girls fast

Evergreen trees, chopped down, top down  
Hoes say I'm cool 'cause my name hot now  
People like them arm clown but I'm underground  
Soul intact, nigga that's real rap  
My nigga Rich sent this, I sent it right back  
With a couple more bricks attached

Shawty taking trips with them things in her blouse
