## Fantasia, Without Me (ft. Kelly Rowland, Missy El

Fake shit will kill you Boy I know the real you Fake shit will kill you Boy I know the real you Fake shit will kill you Boy I know the real you Boy I know the real you

Really gon? make me expose you for exactly what you are (you are)
And I?m feeling a little wavy, so right now I don?t mind pulling your card Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you

And as hard as you try to hide reality while we know the truth So act brand-new if you want to

But what would you be without me? Where would you be without me? So what you blowing up just a little They knowing you a little Don?t give a finger in the middle Cause you will never be Without me Where would you be without me? So what you blowing up just a little They knowing you a little Don?t give a finger in the middle Cause you will never be

[Kelly Rowland:]
You tell ?em that you make big moves
But tell ?em what you really do
Do you really wanna play this game
Fake shit will kill you
Boy I know the real you
Fake shit will kill you
Boy I know the real you
You should tell ?em what you really like
Tell ?em you ain?t bought that life
I?ve put you on, I let you shine
Now you so fly shit blows my mind
Oh, oh

And as hard as you try to hide reality while we know the truth So act brand-new if you want to

But what would you be without me? Where would you be without me? So what you blowing up just a little They knowing you a little Don?t give a finger in the middle Cause you and I will be Without me Where would you be without me? So what you blowing up just a little They knowing you a little Don?t give a finger in the middle Cause you without me

[Missy Elliot:]

Do bad about myself Nigga you?re just useless Dude I don?t need your sex (your sex) I?m moving to the next (the next) You frontin man, you stuntin man You?re worse than my ex Ha-ha-ha-ha-ha You think that shit funny? We know the truth boy, keep it one hundred

And as hard as you try to hide reality while we know the truth So act brand-new if you want to
