

Faouzia, ILOV3YOU

(I, I think that I might, might
L-O-V-E-Y-O-U
I-L-O-L-O-L-O-L-O-V-E)

Why are my fingers dialin' all the numbers they shouldn't
Why are my lips saying all the words they said they wouldn't
It's taking all of me not to give into my emotions
Calling your phone at 4 am like what am I doing

Pre-chorus:

Right now I need you more than a friend
I don't understand
It happened so fast
I put it on replay in my head
Don't know what we said
I think that it went like

Hi,
Hey, watcha doin' with my heart?
I never said that you could take it
Give it back before you break it bébé,
I don't wanna make this difficult
Don't wanna make it complicated
Let's hang up before I say it, bébé

I,
I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, bébé

I,
I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, bébé

Why am I stayin' up every night tossin' and turnin'
Starin' at your photo like I never learn, and
Drawin' you up in my mind right next to cupid
Don't know why L-O-V-E makes me foolish

Pre-chorus:

But, Right now I need you more than a friend
I don't understand
It happened so fast
I put it on replay in my head
Don't know what we said
I think that it went like

Hi,
Hey, watcha doin' with my heart?
I never said that you could take it
Give it back before you break it bébé
I don't wanna make this difficult
Don't wanna make it complicated
Let's hang up before I say it, bébé

I,
I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, bébé

I,
I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, bébé

I,
I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, bébé

I,

I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, baby
I,
I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, baby
I,
I think that I might
Might L-O-V-E Y-O-U
I L-O-L-O-L-O-L-O, baby
