

Far East Movement, Don't Speak (ft. Tiffany & King Chain)

You're playing shy
Don't think that I don't want to be
Treading around you carefully
I don't play games
I don't play
Don't care to know your name
Just want you for tonight
I want to dance
All night in LA, make your advance
We run like it's payday
There's crazy tension in the air
Think we should start a love affair

Breathe don't speak
Why don't you come and dance with me
Get weak
The beat will leave you lost, just screamin' (oh)
Someone help me (oh)
The people help me scream it
Breathe don't speak
Why don't you come and dance with me
Get weak
The beat will leave you lost, just screamin' (oh)
Someone help me (oh)
Someone help me

I'm alive
This love is bound to last past five
We won't get out until the night
I want to play
Tonight ain't over yet
Don't know your name
Ain't nothing to regret
I want to dance
All night in LA, make your advance
We run like it's payday
There's crazy tension in the air
Think we should start a love affair

Breathe don't speak
Why don't you come and dance with me
Get weak
The beat will leave you lost just screamin' (oh)
Someone help me (oh)
The people help me scream it
Breathe don't speak
Why don't you come and dance with me
Get weak
The beat will leave you lost just screamin' (oh)
Someone help me (oh)
Someone help me
