

Father John Misty, Q4

Simone writes little of much consequence
Unless black box theater's how you pay the rent
A new work of some semi-memoir sits
Inside the weekend book editors desk
And while they have not mentioned it
She must watch roses get thrown at less
Oh, the indignity

It was just the thing for their Q4
"Deeply funny" was the rave refrain
It was just the thing for their Q4

As if she had a body to sustain
As if an audience to entertain
This ironic distance kept her sane
While her vessel sailed away
It was all very literary

And the truth was

It was just the thing for their Q4
What's "deeply funny" mean anyhow?
It was just the thing for their Q4

Oh

It was just the thing for their Q4
"Deeply funny" was the rave refrain
It was just the thing for their Q4
It'll be on stands before the holidays

It was just the thing for their Q4
The film adaptation was a total mess
It was just the thing for their Q4
'Til she was outed for her privilege

It was just a thing for their Q4
Can't see her brother now unsupervised
It was just the thing for their Q4
Her family switched care right when she inquired...
