

Fear My Thoughts, Fear My Thoughts

true to the metal -666- listen to the number of the beast
true to the metal -666- Motorhead and fucking Judas Priest
true to the metal -666- I tried to kill me many times but I
true to the metal -666- was sure true rock was never gonna die
fear my thoughts ohhhhh
true to the metal -666- my suicidal tendencies
true to the metal -666- better than you better than me
true to the metal -666- kill yourself to life
true to the metal -666- kill me with a killer riff
fear my thoughts...
