## Fear My Thoughts, Fear My Thoughts

true to the metal -666- listen to the number of the beast true to the metal -666- Motorhead and fucking Judas Priest true to the metal -666- I tried to kill me many times but I true to the metal -666- was sure true rock was never gonna die fear my thoughts ohhhhh true to the metal -666- my suicidal tendencies true to the metal -666- better than you better than me true to the metal -666- kill yourself to life true to the metal -666- kill me with a killer riff fear my thoughts...
