

# Feeder, Hunter

this isn't feeder- this is dido!!

{VERSE 1}

with one light on in one room  
i know your up when i get home  
with one small step upon the stair  
i know your look when i get there

{CHORUS}

If you were a king up there on your throne  
would you be wise enough 2 let me go  
for this queen you think you own

wants 2 be a hunter again  
wants 2 see the world alone again  
to take a chance on life again  
so let me go

{VERSE 2}

the unthread book and painful look  
the tvs on and the sound is down  
one long pause and then you begin  
oh look wot the cats brought in

{CHORUS}

{REFRAIN}

for the crown you've placed upon my head feels so heavy now  
and i dont know what to say to you but i'll smile anyhow  
and all the time i'm thinking, thinking  
i want 2 be a hunter again, want to see the world alone again  
to take a chance on life again so let me go
