

# Felix Jaehn, Book of Love (ft. Polina)

In the midnight haze  
We are sitting in the sun  
The light hits your face  
and i know that you're the one  
We could fill the pages  
with good dreams tonight  
I wanna be a chapter in your book of love

In your book of love  
In your book of love  
In your  
In your  
In your book of love

Maybe we are flying  
too close to the sun  
And we may get burnt  
but I'd be a crime to run  
cuz you're perfect as the deep blue sky above  
you can be a chapter in my book of love

In my book of love  
In my book of love  
In my  
In my  
In my book of love

Eternity is our playground  
Tell me if you wanna get high  
Tell me if you wanna be down

In my book of love  
In my book of love  
In my  
In my  
In my book of love
