

Fenix TX, You're My Angel

Looking into your eyes
I see all I want to be
And I don't want it to end
If I could only put to words the way
I see you, I only know I have an angel with me now

And When I fall asleep you're all that I see
You're in my thoughts and all of my prayers
I wish I could mean all that you mean to me

My angel without wings
My angel
I wish you could see all that you mean to me
But I can never find the words to tell you

And When I fall asleep you're all that I see
You're in my thoughts and all of my prayers
I wish I could mean all that you mean to me

And When I fall asleep you're all that I see
You're in my thoughts and all of my prayers
I wish I could mean all that you mean to me
My angel without wings
