

FFRANCIS, Would You Like Me To Continue?

I am not able to
Wrap my mind around you
Why it is better question still
Would You Like Me To Continue?

I am not able to
Wrap my mind around you
Put my finger on
Why it is better question still
Would You Like Me To Continue?

Why it is better question still
Would You Like Me To Continue?

Is this a sore
Over crazy stunt
You wander on the same directions all the time
You want to come closer
You don't know what is it
You don't know..
You're tired
I'm still
I am not able to
Wrap my mind around you
Why it is better question still
Would You Like Me To Continue?
