

fiedlerski, growing up (ft. remme & Alicja Szemplińska)

Waking up
in the heat of the moment
every day it's just the same

trying to go to sleep
just a little longer
in my dreams i feel so safe

i am 21
mama only 21
my head stuck in the sand
i am sure
get up from bad
start new day
and i am hoping it will be alright
