

Fifth Harmony, Body Rock

I'm dancing in the rain
Cause there's a fire burning deep inside for you
I'm locked into your chain
Cause I'm addicted to the way your body moves

Oh, my heart is racing and my temperature is blazin' through the roof
And I'm tired of this charade cause I can't hide the way I'm fiending over you

I'm overwhelmed I might as well stay underneath the spell you put on me
And when you touch me I can feel it in my veins like electricity

All day
I'm only thinkin' 'bout you
All day
You got me goin', baby
Always
I love the way your body rocks
When we rock
You rock with me
Body rock, body rock
You rock with me
Say this is how a real love's supposed to be
Body rock, body rock
You rock with me
Say this is how a real love's supposed to be
Body rock

I'm dancing in the rain
Cause there's a fire burning deep inside for you
I'm locked into your chain
Cause I'm addicted to the way your body moves

Oh, my heart is racing and my temperature is blazin' through the roof
And I'm tired of this charade cause I can't hide the way I'm fiending over you

I'm overwhelmed I might as well stay underneath the spell you put on me
And when you touch me I can feel it in my veins like electricity

All day
I'm only thinkin' 'bout you
All day
You got me goin', baby
Always
I love the way your body rocks
When we rock
You rock with me
Body rock, body rock
You rock with me
Say this is how a real love's supposed to be
Body rock, body rock
You rock with me
Say this is how a real love's supposed to be
Body rock

And it makes no sense at all
How your love takes me off the wall
And it makes my body rock

All day
I'm only thinkin' 'bout you
All day
You got me goin', baby
Always
I love the way your body rocks

When we rock
You rock with me
Body rock, body rock
You rock with me
Say this is how a real love's supposed to be
Body rock, body rock
You rock with me
Say this is how a real love's supposed to be
Body rock

Put your hands up in the air
Put your hands up in the air
(Body rock)

Put your hands up in the air
Put your hands up in the air
(Body rock)

Put your hands up in the air
Put your hands up in the air
(Body rock)

Put your hands up in the air
Put your hands up in the air
(Body rock)
