

# Fifth Harmony, Give Your Heart A Break

The day I first met you  
You told me you never fall in love  
But now that I get you  
I know fear is what it really was

Now here we are, so close  
Yet so far, haven't I passed the test?  
When will you realize  
Baby, I'm not like the rest

Don't wanna break your heart  
I wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live  
And there's no time to wait, to waste

So let me give your heart a break  
Give your heart a break  
Let me give your heart a break  
Your heart a break

When your lips are on my lips  
Then our hearts beat as one  
But you slip out of my fingertips  
Every time you run

Don't wanna break your heart  
I wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live  
And there's no time to wait, to waste

Don't wanna break your heart  
I wanna give your heart a break  
I know you're scared it's wrong  
Like you might make a mistake  
There's just one life to live  
And there's no time to wait, to wait  
So let me give your heart a break

So, let me give your heart a break  
Give your heart a break  
Let me give your heart a break  
Your heart a break  
There's just so much you can take  
Give your heart a break  
Let me give your heart a break  
Your heart a break
