

Fifth Harmony, Going Nowhere

[Lauren:]

First off
Give a girl some credit
I'm a keep on loving you
'Cause you be the realest all day and all night
And that's why you stay by my side

[Ally:]

I don't always
Do the right thing
And that don't matter
'Cause nobody's perfect you know
Heyyy
If you leave, I can't make you stay

[Chorus:]

Where you going, where you tryna go?
Where you going, where you tryna go baby, baby?
Where you going, where you tryna go?
Where you going, where you tryna go baby, baby?

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going nowhere.
You ain't going nowhere.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going nowhere.
You ain't going nowhere.

[Dianh:]

We'll be here all day,
If you start pointing fingers my way
I just wish you loved me, loved me, baby
If you can do that then I'll do the same... yeah

[Camila:]

Mmm we can make it work, baby
We'd be crazy if (we) don't try
Love and hate is such a thin line.

[Chorus:]

Where you going, where you tryna go?
Where you going, where you tryna go baby, baby?
Where you going, where you tryna go?
Where you going, where you tryna go baby, baby?

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going nowhere.
You ain't going nowhere.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going nowhere.
You ain't going nowhere.

If you're waiting for me, you gonna be waiting all night
If you're gonna play games, you're gonna lose
You'll be sorry if you say goodbye
Yeah, I still want you, but I don't need you
You should be happy, I'm still here for you don't have to be
You must be blind if you can't see.

[Chorus:]

Where you going, where you tryna go?
Where you going, where you tryna go baby, baby?
Where you going, where you tryna go?
Where you going, where you tryna go baby, baby?

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going nowhere.
You ain't going nowhere.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going nowhere.
You ain't going nowhere.

Sit yourself down, 'cause you know you gonna stay
Boy, you better listen to the words I say
You ain't going nowhere.
You ain't going nowhere.
Boy, you better act like you got some sense,
'Cause you got a dime, and it's money well spent.
You ain't going nowhere.
You ain't going nowhere.
