

Fifth Harmony, Stay

Normani:

All along it was a fever

A cold sweat hot-headed believer

I threw my hands in the air, said, "Show me something,"

He said, "If you dare come a little closer."

All:

Round and around and around and around we go

Oh, now tell me now tell me now tell me now you know

Lauren:

Not really sure how to feel about it

Something in the way you move (Ally: Something in the way you move)

Makes me feel like I can't live without you

It takes me all the way

All:

I want you to stay

I want you to stay

Lauren:

Oh, the reason I hold on

Camila:

The reason I hold on

Dinah:

Oh, cause I need this hole gone

All:

Funny you're the broken one

But I'm the only one who needed saving

Cause when you never see the light

It's hard to know which one of us is caving

Camila:

Not really sure how to feel about it

Something in the way you move (Lauren: Something in the way you move)

Makes me feel like I can't live without you

It takes me all the way

I want you to stay, stay

I want you to stay, oh

I want you to stay
