

Fifth Harmony, Want To Want Me / Dreamlover /

[Dinah:]

It's too hard to sleep
I got the sheets on the floor
Nothing on me
And I can't take it no more
A hundred degrees
& just the thought of you
Gets me so high, so high

[Ally:]

Dreamlover come rescue me
Take me up take me down
Take me anywhere you want to baby now, I need you so desperately
Won't you please come around
Cause I wanna share forever with you

Dreamlover come rescue me

Take me up take me down
Take me anywhere you want to baby now I need you so desperately
Won't you please please

[Lauren:]

And I know she'll be the death of me, at least we'll both be numb
And I know she'll get the best of me, the worst is yet to come
All the misery was necessary when we're deep in love
Yes I know, yes I know

[Camila:]

Don't play with my love
That heart is so cold
All over my home

I don't wanna know that babe [x2]

Cause you need me, man, I don't need you, you need me, man, I don't need you, you need me, man

[Normani:]

So am I wrong
For thinking that we could be something for real?
For trying to reach the things that I can't see?
Can't see? That's just how I feel, feel, feel.
That's just how I feel, baby that's just how I feel
