

# Figure Four, So Much More

Never did I claim to be what I'm not.  
Never did I try to tell you that I thought  
you should be or think or act a certain way.  
Still I stood by my beliefs.  
I'm just trying to be real in spite of everything that I must face.  
That's all I can be. It's who I am.  
Myself. It's all I can be.  
So far we've come this far.  
And I know how we've come this far.  
Through thick and thin with all our differences.  
This is what I call commitment.  
No room for tragedy  
So I'll tell you how it is so you'll know how I see things.  
I'll speak my mind and I know you'll speak yours.  
But will you ever have a clue how much your opinion means to me.
