

Filatov & Karas, Kid At Heart

It's like a cool store
in the ocean
love id pullin' me in
push me blackout
it's a roller-coaster od emotions
it's feel like a dream
but I can't figure it out

Monday, Tuesday
chasing me all ways
i got problem won a bill
I never get what I need

Thursday, Friday
I don't know what to do
my head is from the loose
I wish to keep a life in my youth

if I could go back just for one day
all my miracles are replay
wish I can live
wish I can live
wish I can live
like a king

like a thunder in the sky
on the Island
love is lifting me up
this is dragging me down
In the way

..
wasting all my time
and it's killing my vibe

Thursday, Friday
I don't know what to do
my head is from the loose
I wish to keep a life in my youth

if I could go back just for one day
all my miracles are replay
wish I can live
wish I can live
wish I can live
like a king

I wish to keep a life in my youth
doing like the kids do
life is good when you know who you are
I'm just a Kid at Heart
