## Filatov & Karas, Tell It To My Heart

I feel the night explode When we're together Emotion overload In the heat of pleasure

Take me I'm yours into your arms Never let me go Tonight i really need to know

Tell it to my heart
Tell me I'm the only one
Is this really love or just a game
Tell it to my heart
I can feel my body rock
Every time you call my name

The passion's so complete It's never ending As long as I receive This message you're sending

Body to body, soul to soul Always feel you near So say the words I long to hear

Love...love on the run Breaking us down Though we keep holding on I don't want to lose No...I can't let you go...

Tell it to my heart
Tell me from the stars
Tell it to my heart
Tell it to my heart
Tell me from the stars
Tell it to my heart

Never make it stop Oh take it to the heart Oh no no ah ah
