Filter, Consider This

I've been thinking about what you said It's been going around in my head I've been thinking about what you were It's a messy messed up blur

and when the con was over one thing I learned:

I think you'd be better off if you were dead

think your check might last a year? aint got no worries... aint got no fear... you change so fast you're such a creep you make me feel so very cheap

and when the heist was over I guess I got burned

I think you'd be better off if you were dead
