

Filter, What Do You Say?

Do you really care?
It's not like it matters anyway
What's gonna happen here?
We laugh about it all long day

Hey, hey what do you say?
It doesn't really matter
?cause it's all the same
Hey, what do you say?
It just goes without us anyway

Everything goes down
It's always like wasting time
Nothing is so special
? chemical in our minds

(Hey, what do you say?)

Hey, hey what do you say?
It doesn't really matter
?cause it's all the same
Hey, what do you say?
It just goes without us anyway
