## Finch, Frail

Kiss the sun In your eyes Love unveiled I can't deny Be not warned Watch it fall Mesmerize...

Close your eyes and begin to breath Something is coming over me Lost to find, and a soul to keep cause you love me...

Give this one On bended knee Price to pay Please wait for me A trial by fire A setting Sun A love I've won...

Close your eyes and begin to breath Something is coming over me Lost to find, and a soul to keep Cause you love me...

Inside, I wait Inside, I wait
