

# Finch, Stay With Me

once again your eyes make it hard to say goodbye  
so I'll just keep driving  
where do you wanna go?  
it doesn't really matter as long as you are here with me  
with me  
with me

whoa, there's something in the air tonight  
something that makes me feel alive and I say  
whoa, what were the words that you said to me  
that made me feel so special now

once again your eyes make it hard to ask you why  
so I sit here knuckles tight  
hands against the wheel  
your head against the glass and you mean so much to me  
to me  
to me

whoa, there's something in the air tonight  
something that makes me feel alive and I say  
whoa, what were the words that you said to me  
that made me feel so special now

whoa (stay with me)  
whoa (stay with me)  
whoa (stay with me)  
whoa (stay)  
stay with me  
cigarettes and open air, hand in hand  
I said stay with me  
cuz every star that I see is brighter than the last  
so stay with me

[repeat]
