

# Fink, Hard Believer

I can see the light coming  
I can see the light coming  
Over the hill, over hill

Hard Believer  
Hard Believer  
Won't you believe?  
Won't you believe me now?

We were made for each other  
Won't you believe in me now?  
We were made for each other  
Won't you believe me now?

I can hear the sirens  
I can hear the sirens  
Golden like the sun  
Golden like the sun

Hard Believer  
Hard Believer  
Hard Believer  
Won't you believe me now?
