Merciless behaviour to those who rise No one will survive Overrun by the legions pillaging the land Retaliate or be enslaved - live your life

Beat back the legions, the evil one And Rome must fall If we surrender, wife's and kids will die No more freedom - We'll rise

Annihilation
Be killed or live as a slave
Annihilation
You better die as a brave

Facing the enemy, unify!
Victorious or die
Engaging the Romans - We fight!
No more treaties - Waging war
