

# Fireforce, Attracted to Sin and Lust

I am the one who pays visits to your dream  
I am the one who makes you wet  
And makes you scream  
I am the evil one who crawls inside  
And steals your soul  
I am the one who makes you love to lose control

Evil crawling in...  
Your mind filled with sin...  
Attracted, sin and lust  
You can't be blamed for this game  
Attracted, sin and lust  
You fall to excitement unnamed  
Attracted...

Lying in your bed and wait for my command  
Sweat's dripping off your body right inside my hand  
Your flesh is weak and you're soaking wet  
I am the one who visits you 'till death...

Evil is crawling in...  
Your mind filled with sin...  
Attracted, sin and lust  
You can't be blamed for this game  
Attracted, sin and lust  
You fall to excitement unnamed

I am the one who pays visits to your dream  
I am the one who makes you wet  
And makes you scream  
I am the evil one who crawls inside  
And steals your soul  
I am the one who makes you love to lose control

Evil crawling in...  
Your mind filled with sin...  
Attracted, sin and lust  
You can't be blamed for this game  
Attracted, sin and lust  
You fall to excitement unnamed  
Attracted...  
Attracted...
