

# Firewind, Beware The Beast

Over the mountain, across the horizon  
A vicious mist through the dawn  
The bloody fountains, overflowing  
A shadow appears from the spawn

Gothic voices  
Howling in the wind  
When darkness surrounds the land

Beware the beast, he is the devil  
Grabs your hand and leads you in  
Beware the beast, he is in revel  
He guides you to the fire

Thunder is striking  
The Earth is shaking  
A silver dagger glows  
Blood is boiling  
Corrupt loosing  
Panic begins to grow

Beware the beast, he is the devil  
Grabs your hand and leads you in  
Beware the beast, he is in revel  
He guides you to the fire

Beware the beast, he is evil  
He bleeds your heart faithlessly  
Beware the beast, he is in a revel  
Your guide to the hell
