

Firewind, Circle Of Life

Tears of rage
Have fallen off my face
I cannot hide
My dreams take hold in me died
To be alive
Is a gift all of mankind
Creative minds
She'll break my heart to find

head up high
Climb the sky and fly

Have I lost my mind?
The truth now shows
That I was blind
Made me change my mind
It's the circle of life
Have I lost my mind?
The truth now shows
That I was blind
Made me change my mind
It's a circle of life

Tears of a coward
Tears of shame
I found a way
To win this game

Do your best, just stay awake
(Do your best, just stay awake)
What you've got, no one can take

Have I lost my mind?
(Have I lost my mind?)
The truth now shows
That I was blind
Made me change my mind
Have I lost my mind?
The truth now shows
That I was blind
Made me change my mind
It's a circle of life

-Solo-

Have I lost my mind?
(Have I lost my mind?)
The truth now shows
That I was blind
Made me change my mind
(Made me change my life)
Have I lost my mind?
(Have I lost my mind?)
The truth now shows
That I was blind
Made me change my mind
It's a circle of life
