

Fishbone, Everybody Is A Star

Everybody is a star
Who can rain and chase the dust away
Everybody wants to shine
We'll come out on a cloudy day
'Tis the sun that loves you round
When the system tries to bring you down
Ever had a shiny night?
You don't need darkness to do what you think is right

Ba pa-pa-pa ba pa-pa ba ba
ba pa-pa ba pa-pa ba pa-pa ba ba ba,
ba-pa ba-pa ba ba
Ooh, ooh, ooh, ooh, ooh (x2)

Everybody is a star
I can feel it when you shine on me
I love you for who you are
Not the one you feel you need to be
Ever catch a falling star
Ain't no stopping until it's in the ground... in the ground
Everybody is a star
One big circle goin' round and round

Ba pa-pa-pa ba pa-pa ba ba
ba pa-pa ba pa-pa ba pa-pa ba ba ba,
ba-pa ba-pa ba ba
Ooh, ooh, ooh, ooh, ooh

Shine, shine, shine, shine
Everybody...

You're a star
