

Fitzgerald Patrik, Mystery

We're so presumptuous
Presuming that we all
Exist at all.
Marvelling at our own mystery.
We're so presumptuous
Presuming that this all
Means anything at all
Marvelling at our own
Marvelling at our own mystery.
Mystery.
Abusing our privilege
Ruining the scenery
Marvelling at our own
Marvelling at our own
Marvelling at our own
Mystery
Marvelling at our own
Mystery.Mystery.
Mystery.Mystery.
