

Fitzgerald Patrik, Smile

Smile for me - smile for me - convincingly
Smile for me - smile for me - convincingly.
Don't lie - don't lie.
Don't lie to me - don't lie.
Tell me why - tell me why you grin -
People offer you their hands
They never offer anything
Just the world - in a box -
All signed - all sealed
Waiting to open it's tiny secrets -
Just about to be revealed -
It was a box full of tears and pain.
Don't lie - don't lie
Don't lie to me - don't lie
Don't lie - don't lie
Don't lie to me - don't lie
Just smile for me. Smile for me.
Smile for me. Smile for me.
Smile for me. Smile for me.
Smile for me. Smile for me.
Smile!
