

FKA twigs, Measure of a Man (ft. Central Cee)

Nobody feels the pain behind the love you show
Nobody feels the burden that is yours alone

If when the morning comes
You're not with me
DESTINY
I know that you will redo it with destiny

Only you can truly understand
The measure of a hero is
The measure of a man
The measure of a man

Your body
There's the scars of every man I know
So SOFTLY
Oh I wanna kiss it bitter
The scar that led her to me
It doesn't belong

If when the morning comes
You're not with me
DESTINY
I know that you will redo it with destiny

Only you can truly understand
The measure of a hero is
The measure of a man
The measure of a man
