I want it all cuz she's my wife,
she gave me a jar of honey now
i feel so fine

I want it all cuz I like honey
she gave me a jar of honey my favorite candy

I want it all cuz I'm hungry as a
horse, so let me eat my
candy, leave me all alone

I want It all so just give me a chance you gave me a jar of honey You gotta give Me a chance to tas

I want it all, leave me all alone
maybe I'll ask for more of my
favourite candy
