

# Flatt And Scruggs, Jackson

We got married in a fever hotter than a pepper sprout  
We've been talkin' bout Jackson ever since the fire went out  
I'm goin' to Jackson gonna mess around  
Yeah I'm a goin' to Jackson you know I'm Jackson bound  
Go on down to Jackson go ahead and wreck your health  
Play your hand big lovin' man make a big fool of yourself  
Go down to Jackson comb your hair try to snowball Jackson see if she cares  
When I breeze into that city people gonna stoop and bow  
All them women gonna want me teach 'em what they don't know how  
I'm a goin' to Jackson turn loose my coat  
Yeah I'm a goin' to Jackson goodbye that's all she wrote  
They laugh at you in Jackson and she'll be dancing all around  
Lead you round town like a scalded hound with your tail tucked between your legs  
Go down to Jackson you big talkin' man  
She'll be waiting in Jackson behind her Japan fan  
We got married in a fever hotter than a pepper sprout  
We've been talking bout Jackson ever since the fire went out  
We're goin' to Jackson that's a fact  
Yeah we're goin' to Jackson ain't never comin' back  
Yeah goin' down to Jackson we're goin' to Jackson
