

Flo Rida, Can't Believe It (ft. Pitbull)

I Can't Believe It
White girl got some ass
I wanna see it
Black girl got a ass
It ain't a secret
Baby turn around
I wanna see it, tryin' to see it, gotta see it
I wanna see that babu I am bam, baram bam baram
babu I am bam, baram bam baram

Uh, I think I found one 'cause I got that fever of...
Gotta self around one, ass like Serena, that's okay
'cause I love my stereotypes, my girls in tools
That maximum exposure... know what I wanna do,
Telling all the girls, all around the world, my last name must be Robin
'cause I'm basking in these asses, all thirty flavours keep calling,
My my my my vanilla Cinderella love it when I tell her drop it,
A butt of... but I love my chocolate.

I Can't Believe It
White girl got some ass
I wanna see it
Black girl got a ass
It ain't a secret
Baby turn around
I wanna see it, tryin' to see it, gotta see it
I wanna see that babu I am bam, baram bam baram
babu I am bam, baram bam baram

She got that butt donk-donkie- donkie
They so fat, they so chunky,
Call me Michael Jackson, hi hi
'cause I love to play with monkeys,
This the Miami thing, that's right
We down for anything that's right,
Youtube everything, that's right
Flow right to Pitbull anything,
I'm off the chain and lane lane, lane lane
Ustedes saben quien es quien
Mira salinga con toda esa...
Como tu sabes estoy loco.
Pero que bueno que era poco,
Mami mueve los coco,
I don't care where you're from
As long as you got that...

Now turn left, turn right
Turn around you could tell what I like
She love good, she so bad
She kick it up, drop it down, look back.

Babu I am bam, baram bam baram
babu I am bam, baram bam baram
babu I am bam, baram bam baram
babu I am bam, baram bam baram

I Can't Believe It
Why girl got some ass
I wanna see it, baram bam baram.
I Can't Believe It
Why girl got some ass
I wanna see it, baram bam baram
