

Flo Rida, Hola (feat Maluma)

I just have to say
hola hola
we should get acquainted like
oh my god /2x
I don't speak your language
but
hay ma /2x
Don't need no translation, JUST
COME RIGHT HERE
AND MAKE YOUR BODY SAY IT

HOLA
DON'T KNOW WTAHT TO SEAY
LIKE A LOLLIPOP
THAT'S YOU TASTE
SWEEter than ones in the ice cream truck
you're a charm
you give me good luck
rteally no need to speak too much
for you make me say

don't put your name right now
but that need to change right now
I saw tou across the room
and I just have to say

hola hola
we should get acquainted like
oh my god /2x
I don't speak your language
but
hay ma /2x
Don't need no translation, JUST
COME RIGHT HERE
AND MAKE YOUR BODY SAY IT

Hola, hola
make your body say
/2x

[maluma:]
zwrotka po hiszpańsku
tell me what's your name
baby it you wanna play
tell me what's your name
baby it you wanna play

don't put your name right now
but that need to change right now
I saw tou across the room
and I just have to say
