

Flo Rida, INNA, Summer's Not Ready (ft. Timmy

Are you ready for the beatches
Are you ready for the weekend
Are you ready for the summer
Cause the summer's not ready for me
Are you ready for the long nights?
Would you body lookin' just right
Are you ready for the summer
Cause the summer's not ready for me

Game stopped
It was ready for me
Stuck doing loop habit on me
No stress on me
I keep you check on me
You girl sex on me
She looks summertimes
Never si, numer one
Let me lie, never mix

But you ain't ready

Are you ready for the beatches
Are you ready for the weekend
Are you ready for the summer
Cause the summer's not ready for me
