

# Florence & The Machine, Cosmic Love

A falling star fell from your heart and landed in my eyes  
I screamed aloud, as it tore through them, and now it's left me  
blind

The stars, the moon, they have all been blown out  
You left me in the dark  
No dawn, no day, I'm always in this twilight  
In the shadow of your heart

And in the dark, I can hear your heartbeat  
I tried to find the sound  
But then it stopped, and I was in the darkness,  
So darkness I became

The stars, the moon, they have all been blown out  
You left me in the dark  
No dawn, no day, I'm always in this twilight  
In the shadow of your heart

I took the stars from our eyes, and then I made a map  
And knew that somehow I could find my way back  
Then I heard your heart beating, you were in the darkness too  
So I stayed in the darkness with you

The stars, the moon, they have all been blown out  
You left me in the dark  
No dawn, no day, I'm always in this twilight  
In the shadow of your heart
