

# Florence & The Machine, Just A Girl

Take this pink ribbon off my eyes  
I'm exposed, and it's no big surprise  
Don't you think I know exactly where I stand  
This world is forcing me to hold your hand

'Cause I'm just a girl, little ol' me  
Well, don't let me out of your sight  
Oh, I'm just a girl, all pretty and petite  
So don't let me have any rights  
Oh, I've had it up to here

The moment that I step outside  
So many reasons for me to run and hide  
I can't do the little things I hold so dear  
It's all those little things that I fear

'Cause I'm just a girl, I'd rather not be  
'Cause they won't let me drive late at night  
Oh I'm just a girl, guess I'm some kind of freak  
'Cause they all sit and stare with their eyes  
Oh I'm just a girl, take a good look at me  
Just your typical prototype  
Oh, I've had it up to here!

Oh, am I making myself clear?

I'm just a girl  
I'm just a girl in the world  
That's all that you'll let me be

Oh I'm just a girl, living in captivity  
Your rule of thumb makes me worrisome  
Oh I'm just a girl, what's my destiny?  
What I've succumbed to is making me numb  
Oh I'm just a girl, my apologies  
What I've become is so burdensome  
Oh I'm just a girl, lucky me  
Tweedle-dum there's no comparison

Oh, I've had it up to!  
Oh, I've had it up to!  
Oh, I've had it up to here
