

# Florence & The Machine, Light Of Love

and i came to  
walking on the train tracks  
how did i get here?  
and how do I get back?  
I've been up all night  
let's stay awake  
push it further,  
you know I'll never break  
at some point in the party I thought my heart was failing  
you said: hey, you're ok  
You seem to be still standing  
flashes appeared at the corner of my eyes  
I saw the stars and I didn't ask why  
heard the voices and i caught my breath

so close and yet so far from death  
so close and yet so far from death  
so close and yet so far from death

well the feeling was always too much for me  
it always came too strong  
I wanted to get it right so badly  
that I always got it wrong  
so you keep pushing on  
you hope it won't be long  
till you could find the child you were  
and find a way to get along
