

Florence & The Machine, No Light, No Light

You are the hole in my head
You are the space in my bed
You are the silence in between what I thought
And what I said

You are the night time fear
You are the morning when it's clear
When it's over you'll start
You're my head
You're my heart

No light, no light in your bright blue eyes
I never knew daylight could be so violent
A revelation in the light of day
You can't choose what stays and what fades away

And I'd do anything to make you stay
No light, no light
No light
Tell me what you want me to say

Through the crowd, I was crying out
And in your place there were a thousand other faces
I was disappearing in plain sight
Heaven help me, I need to make it right

You want a revelation,
You wanna get it right
But, it's a conversation,
I just can't have tonight
You want a revelation
Some kind of resolution
You want a revelation

No light, no light in your bright blue eyes
I never knew daylight could be so violent
A revelation in the light of day,
You can't choose what stays and what fades away

And I'd do anything to make you stay
No light, no light
No light
Tell me what you want me to say

Would you leave me,
If I told you what I've done?
And would you need me,
If I told you what I've become?
'cause it's so easy,
To say it to a crowd
But it's so hard, my love,
To say it to you alone

No light, no light in your bright blue eyes
I never knew daylight could be so violent
A revelation in the light of day,
You can't choose what stays and what fades away

And I'd do anything to make you stay
No light, no light
No light
Tell me what you want me to say

You want a revelation,

You wanna get it right
But, it's a conversation,
I just can't have tonight
You want a revelation
Some kind of resolution
You want a revelation

You want a revelation,
You wanna get it right
But, it's a conversation,
I just can't have tonight
You want a revelation, some kind of resolution
Tell me what you want me to say.
